## SBER AWARDS, 2024

### IMPORTANT INSTRUCTIONS

- One good quality full length Research Paper must be submitted and published at the Biotica Journals before award result announcement. Manuscript must be prepared in accordance with the journal's guidelines (Click Here to download journal's guidelines).
- All papers will be published without any publication/processing/subscription charges and free CrossRef DOI will be assigned for each article.
- Plagiarism Policy: All the submitted manuscripts are first subjected to Plagiarism check and then the Publishing cycle begins. In case, plagiarism is detected during review/ editorial process, such manuscript(s) will be rejected immediately and we can also consider other steps depending upon the seriousness of the case.
- Peer-Review Policy: Generally, all the manuscripts are reviewed by a minimum of two suitable external experts in the respective subject area. The reports of all the reviewers will be considered while deciding on acceptance/ revision or rejection of a manuscript, but the ultimate responsibility for acceptance or rejection lies with the Editor-In-Chief of the respective journal.
- There must not have any AI generated contents in the articles
- Selected awardees must become the life member of the society and must pay a nominal amount of Rs. 1000/- as society contribution excluding conference registration fees for each award. However, there will be certain concessions for the awardees in offline conference registration fees. For details kindly check conference brochure.
- A complete biodata must be submitted after filling up application form as and when asked by the selection committee. Claim made in application form must be available in detail in the full biodata otherwise it will not be entertained and no marks will be given for the claim.
- A concise biodata of not more than 350 words for citation along with a good quality passport size photograph in jpg format must be sent through e-mail after selection letter issued for the awardees.
- Before applying for the award, the applicants are requested to verify that they fulfill all requirements. Candidates not meeting all requirements will not be considered for the award. Final decision is lying with the chairman of the selection committee.
- The recipient of SBER Awards in past two years is not eligible for the applying award 2024. SBER office bearers are also not eligible for any of the awards.
- In deserving cases, when the Committee so decides, under the same category, more than two awards may be given.
- The Board also reserves the right to cancel the selection process for any of the awards at any time without assigning any reasons. No correspondence will be entertained with candidates not selected for Award(s).
- Canvassing in any form will be a disqualification. Utmost transparency will be maintained for identifying the most potential candidate based on the record provided

## SBER AWARDS, 2024

### 4<sup>th</sup> Biotic Science Congress (BioSCon, 24)

*and*

### *International Conference on Climate Smart Farming: Adoption, Impacts and Implications for Sustainable Development*

Date: 21-22, November, 2024

Venue: College of Agriculture, Kyrdemkulai, Ri Bhoi,  
Meghalaya, India

*Jointly Organized by:*

Society for Biotic and Environmental Research,  
*Tripura, India*

College of Agriculture, Central Agricultural University (Imphal),  
*Kyrdemkulai, Meghalaya, India*
