Biotech and Environmental Research

SBER AWARDS, 2023

IMPORTANT INSTRUCTIONS

➤ One good quality full length Research Paper must be submitted to the “Research Biotica/ Biotica Research Today for publication. Manuscript must be prepared in accordance with the journal’s guidelines. The paper will be published without any publication/processing/ subscription charges and specific CrossRef DOI will be assigned for each article. For Authors guidelines visit www.biospub.com

Plagiarism Policy: All the submitted manuscripts are first subjected to Plagiarism check and then the Publishing cycle begins. In case, plagiarism is detected during review/ editorial process, such manuscript(s) will be rejected immediately and we can also consider other steps depending upon the seriousness of the case.

Peer-Review Policy: Generally, all the manuscripts are reviewed by a minimum of two suitable external experts in the respective subject area. The reports of all the reviewers will be considered while deciding on acceptance/ revision or rejection of a manuscript, but the ultimate responsibility for acceptance or rejection lies with the Editor-In-Chief of the respective journal.

➤ Selected awardees must become the Elite Life Member of the Society. Payment of life membership fees shall be made through payment gateway/NEFT after issuing the selection letter only. For details visit www.sberindia.org

➤ A concise biodata of not more than 350 words for citation along with a passport size photograph in jpg format must be sent through mail by the selected awardees.

➤ Before applying for the award, the applicants are requested to verify that they fulfill all requirements. Candidates not meeting all requirements will not be considered for the award. Final decision is lying with the chairman of the selection committee.

➤ The recipient of SBER Awards in past two years is not eligible for the applying award 2023. SBER office bearers are also not eligible for any of the awards.

➤ Two awards will be given every year in each category across the disciplines. Claim made in application form without proof will not be entertained and no marks will be given for the claim.

➤ For technology claim, please attach proper document in the form of publication in the peer reviewed journal or package of practice recommended by the recognized authority. Your name and role should be clearly indicated in the claim attached, otherwise no marks will be granted. Claim made under one section cannot be repeated under another section as a proof.

➤ In deserving cases, when the Committee so decides, under the same category, more than two awards can be given.

➤ The Board also reserves the right to cancel the selection process for any of the awards at any time without assigning any reasons. No correspondence will be entertained with candidates not selected for Award(s).

➤ Canvassing in any form will be a disqualification. Utmost transparency will be maintained for identifying the most potential candidate based on the record provided.
